

SIELU

(soul)

Official Zine

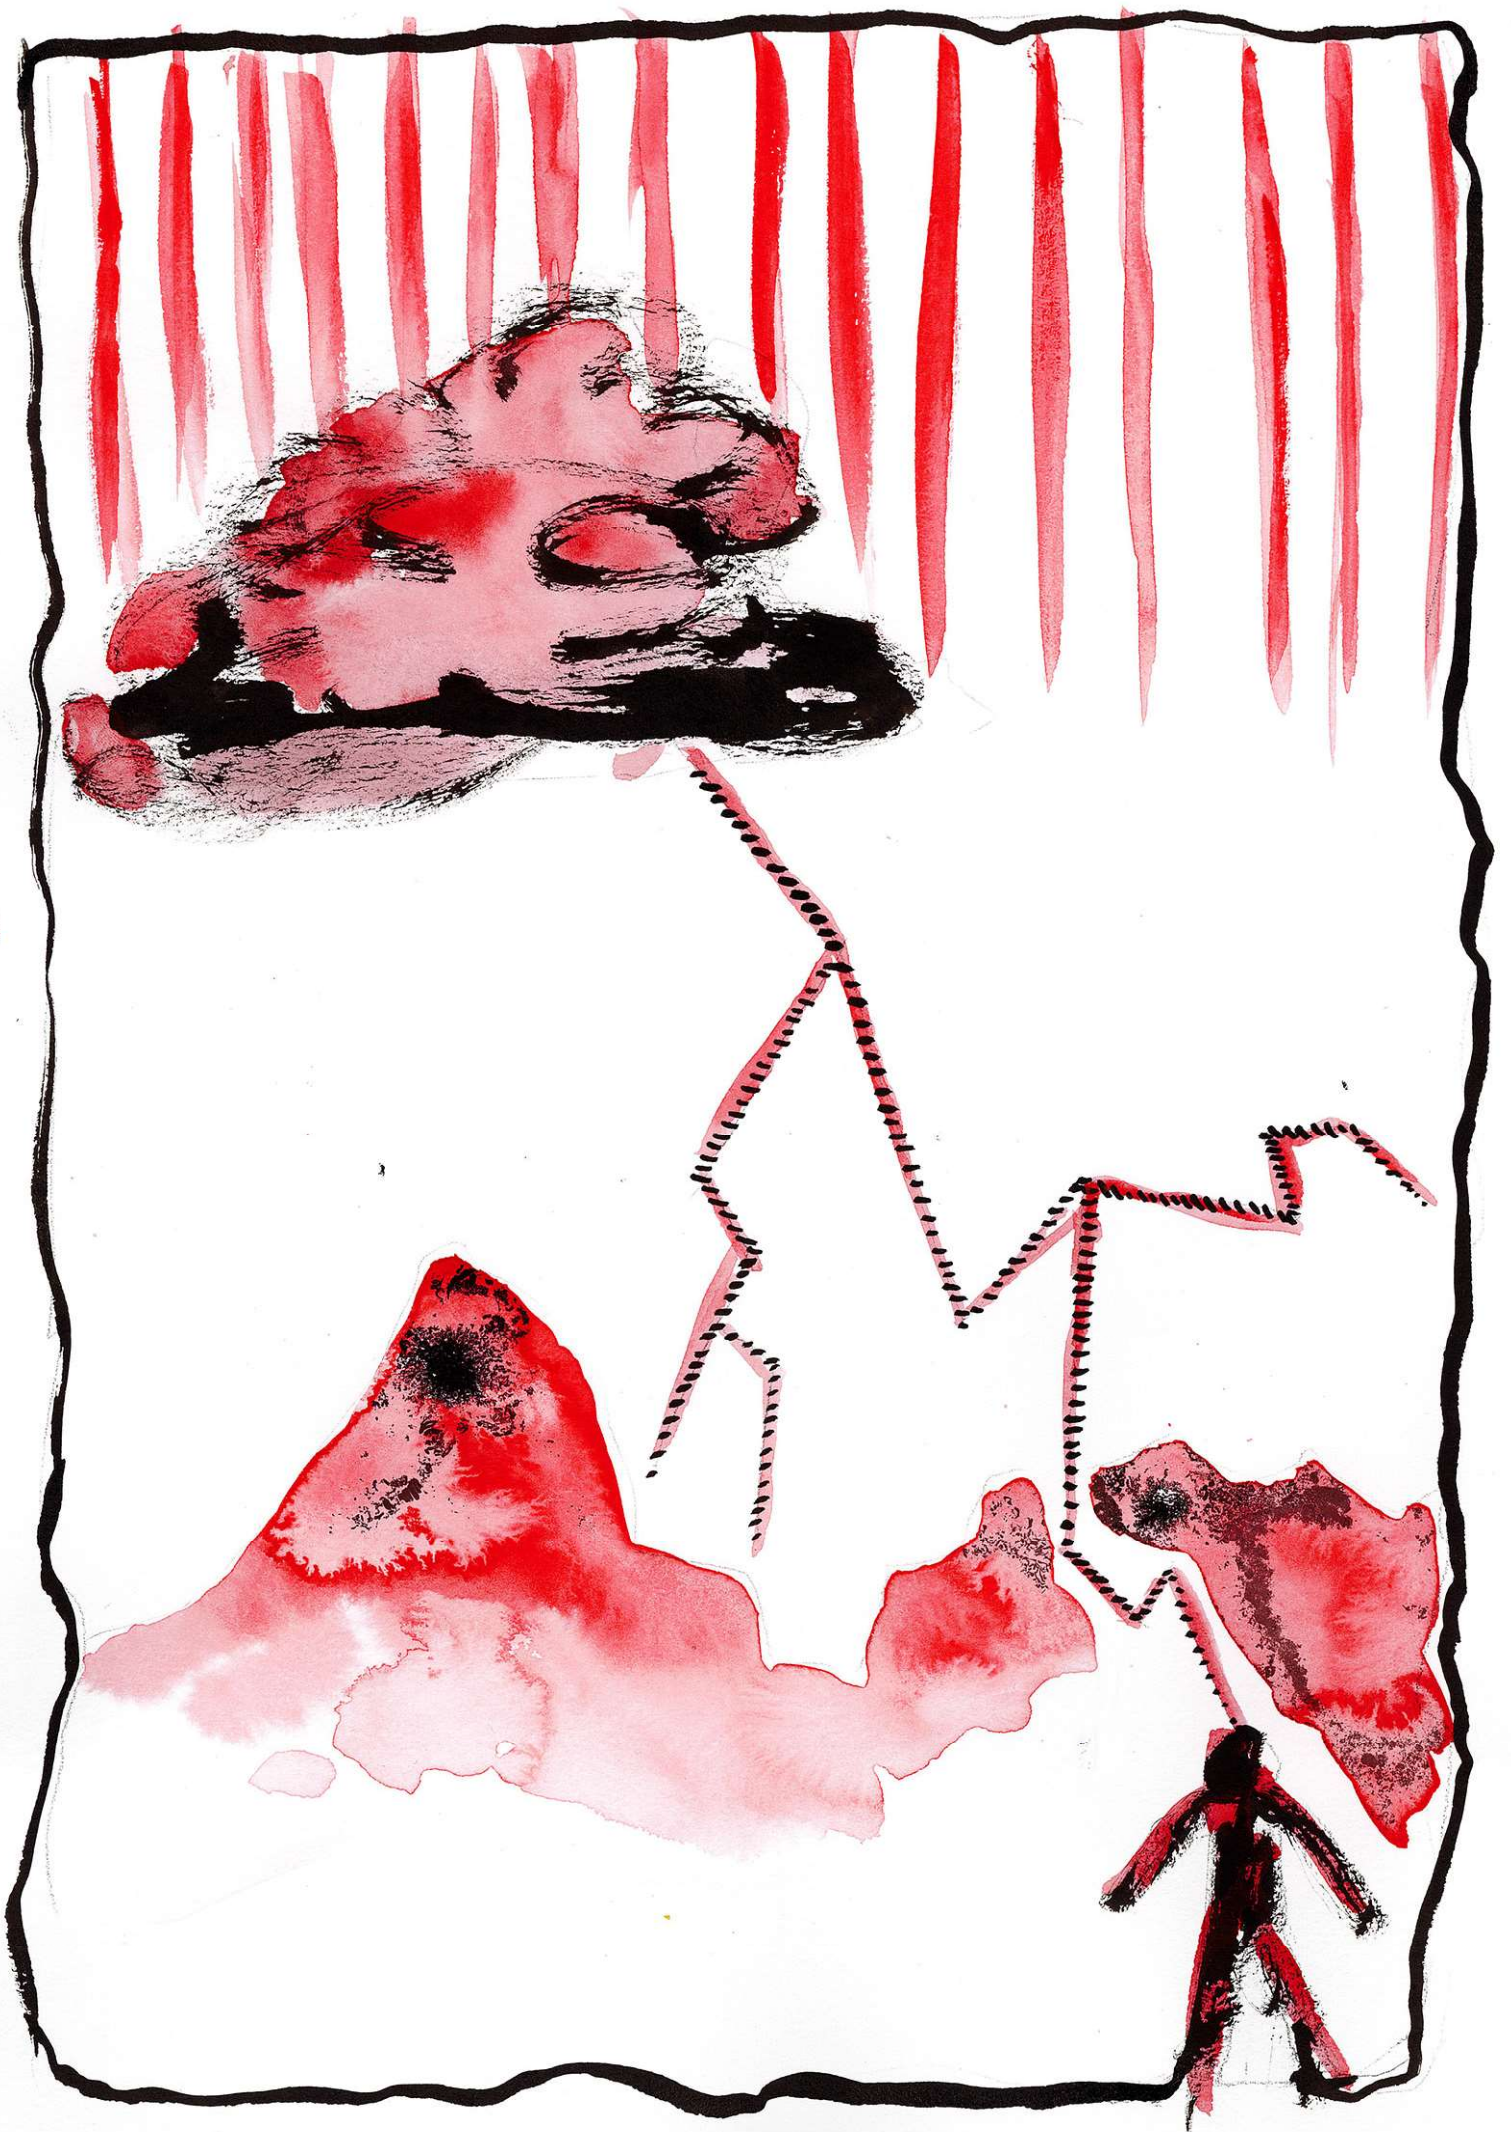

I BOUGHT HUMAN SOUL  
FROM 2ND HAND STORE  
AND SOLD IT ON THE  
NET FOR PROFIT.

-paleface

But does artificial ones suffice?

fak this

But i don't even have a soul

that would go to the Hell

Or even to Pasila

BUT WHAT IF  
I HAVE ONE?

and that would be

small and delicate...

I would keep it hidden

because

there

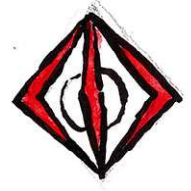

are

so much shitty

things :(

And it should be  
somehow cared..  
too much effort

THIS is SIELU

IT IS  
WHAT IT IS
